Topo Plug & Play accessories

Plug & Play Expandability

Warranty

T-CF72AH

301 x 142 x 215

10.33Kg

Space saving flush mount connector design

Tough Steel Casing
collapsable ergonomic carry handle
No exposed terminals

Fan cooled

12.8V
72AH
65AH
832Wh
LiFePO4
>2000
Recommended 80%
50A
70A
0 to 50 degree celcius
0 to 50 degree celcius
25degree c

LED SOC 5 Bar
LED Status Indicators
SOC Resolution (20%)
Built-in Net Positive/Negative Amp Meter

Built in Topo 40A DC-DC Vehicle Input (Blue)
Topo Voltage Sense- Topo Dual battery voltage controller

Topo Solar controller (Red) – Max 25A
Topo Mains Charger Input (Yellow)

Inputs- Clearly labled,Invidually colour coded and keyed
1x Heavy Duty 50A Blue Anderson Connector – Input Only
1x Heavy Duty Mini 35A Red Connector – Input Only
1x Heavy duty mini 35A Yellow Connector – Input Only

Outputs- Clearly labeled, invidually colour coded and keyed
1x Heavy Duty 50A Grey Anderson Connector (Rated 50A)
2x Heavy Duty Mini 35A Grey Connector (Rated 40A combined)

12v - 14.2v
50a
65a

Topo Magnetic Distribution boards
Topo Wireless Monitor
Topo 10A Mains Charger
Topo USB adaptor

12V / Pure Sine Wave Inverter (recommended 500W-1000W max)
Max 600W continious discharge from 50A Grey Anderson output

Topo Tinny Mate 12V/100AH

24 months workshop warranty on all electronics
5 years on battery cells

T-CF100AH

288 x 138 x 245

11.15Kg

Space saving flush mount design

Tough Steel Casing
collapsable ergonomic carry handle
No exposed terminals

Fan cooled

12.8V
100AH
100AH
1280Wh
LiFePO4
>3000
Recommended 80%
100Amps
50Amps
